Dear Ramblers,

Our April campout was a lot of fun, even if the weather wasn't very nice for most of the weekend. We had a good turnout and it was nice to have a building for food, games and fellowship, even with the gloomy weather.

Our May campout will be at PlaMor Campground the weekend of May 11-13, 2012. Enclosed is the form that needs to be sent in by Friday, May 4th, along with a check for one night's camping. If you have any questions, call Mark Hapner.

Hospitality for May will be Bruce and Rose Mary McDowell and Ray and Kay Smith.

Because it's Mother's Day weekend, the club will be going out to eat on Saturday night. We will be going to The White Dove in Nappanee.

It would be nice if we could have another good turnout of members at the May campout, as we have a rally to plan and work on. We want all of you to be involved and to share your ideas and things with us.

Hope to see you all again real soon.

Until then ... take care !!!

Sincerely,

Beth Yoder #38329
Secretary
